May you walk with God this summer
In whatever you do
wherever you go

Walking with God means...
Walking with honesty
And with courage,
Walking with love and respect and
concern for the feelings of others

May you talk to God this summer
and every day and in every situation

Talking with God means...
Praying words of praise
For the beauty of creation
Saying prayers of thanks
For friends and good times,
Asking God's help
In all your decisions
Expressing sorrow
When you have failed

May you talk with God every day. Amen.

St. Paul's Mission Statement:
Go in peace, devoted to faith, hope and love.

**Evangelical Lutheran
Church in America**

God's work. Our hands.

April council meeting minutes were approved at the May meeting, which was held Thursday, May 7, 2026.

The financial report was discussed - we are in a great position. The committee did a review of accounts – there is money available for the sewer project, and it will be expensed under properties. Report was accepted.

Pastor reported *The Chosen* and MerriLee's Bible Studies will break for the summer. The summer sermon series will be Favorite Bible stories, beginning in June.

The Men's Group served a community meal in Racine. Synod Assembly will be attended by Pastor, Marilyn Jensen, and Olga Kowalski.

Christian Ed reported there will be a church picnic on June 13. The committee is re-evaluating Vacation Bible School, due to low response.

Evangelism reported Bike Blessing went very well, with roughly 200 bikes in attendance. One of the suggestions for improvement were "Spirit Wear" as beneficial for the people that are volunteering. The lettering company can set up an online shop for people to order there.

Multi Media reported Dave Glogovsky is working on a new design for video screens to be remounted. He will also be mounting a few more cameras and the committee is actively working on solutions around privacy.

Meeting was adjourned with the Lord's Prayer.

Complete council minutes are available in the church office in the binder on the counter.

IT'S COMING!!!

On June 13th, we will stuff ourselves with potluck goodies and try our hand at a game or a contest at the 2nd annual St. Paul's Church Picnic. On the day of our picnic, we'll gather at 2:00 p.m. in Fellowship Hall for a potluck lunch.

Then comes the fun with games, activities and contests for everyone from 3:15 – 4:45 p.m. on the church lawn. An outdoor service at 5:00 p.m. will follow to end our day. So.... don't forget your lawn chair to enjoy the festivities and the outdoor service at 5:00.

If you are bringing that special dish for the potluck, you can bring your dish at 1:30, if it's cold, and your hot dish at 2:00. Please pick up a card from the bulletin board and list your ingredients. Then bring this card with your dish to the potluck. This will ensure that those with food allergies will have a safe, sumptuous potluck, too. Place your delicacies on the counter outside the kitchen and be sure to place the list of ingredients with it.

If you haven't already signed up to help with the picnic activities, check the bulletin board outside of Pastor's office or just offer to help on the day of the picnic. I promise that we'll take you up on your offer. Any questions? Just ask Ruby Glogovsky at 262-654-5123.

PLANTS IN THE BUILDING

Our custodian takes care of watering the plants, so we ask that you NOT water them - even if you feel they need watering. Jim has a regular schedule and will be sure to take care of them. Your help is always needed, however, in cleaning out dead leaves - feel free to do this anytime you see that it is necessary. Thanks.

LITTLE LIBRARY

We have a Sharing Library in the Oechler Room. There are books, puzzles, DVDs - just like you'd find in a regular library. Take what you think you'd enjoy - bring what you think others will enjoy.

BEST POEM IN THE WORLD

I was shocked, confused, bewildered

As I entered Heaven's door,

Not by the beauty of it all,

Nor the light or its décor.

But it was the folks in Heaven

Who made me sputter and gasp—

The thieves, the liars, the sinners,

The alcoholics and the trash.

There stood the kid from seventh grade

Who swiped my lunch money twice.

Next to him was my old neighbor

Who never said anything nice.

Bob, who I always thought

Was rotting away in hell,

Was sitting pretty on cloud nine,

Looking incredibly well.

I nudged Jesus, 'What's the deal?

I would love to hear Your take.

How'd all these sinners get up here?

God must've made a mistake.

'And why is everyone so quiet,

So somber – give me a clue.'

'Hush, child,' He said,

They're all in shock

No one thought they'd be seeing you.'

JUDGE NOT!!

EMAIL AND TEXT SPOOFING AND SCAMS

More and more congregations, and ministries are being targeted by scammers and phishing attacks. These emails or text messages often pretend they are a pastor or bishop and ask for private conversation, or the need to for a favor, or to purchase gift cards.

These attacks are a phishing or spoofing scam. This means that the email account or phone number has probably NOT been hacked. Attackers are using an alternate email address or phone number and contacts found using A.I. software.

This kind of attack is often called CEO Phishing or Business Email Compromise. In 2019, the FBI reported that this is a \$26 billion scam.

HOW TO AVOID OR STOP SCAMS

1. **Check the email address or phone number that sent the message.** Modern email programs often only display the name as a default and not the email address. The attackers use this to their advantage and create addresses with the real name but use a bogus email address.

Often using gmail or yahoo accounts. Text scammers will use area codes that are in the area you are in, claiming it is a new phone number.

2. **Look for red flags in the tone and grammar of the email or text.** Attackers will want to create a sense of urgency, to prey on your desire to help. They will often claim the bishop or pastor needs something and is in a meeting. Or needs to urgently have a private conversation. These emails will often contain misspellings, strange punctuation, or grammar that is just “off” a bit. Read messages with requests carefully.

3. **Ask someone.** Have someone else read the message for you to see if they notice anything weird. Call or email the church or synod office to check what the email address or phone number of person actually is.

4. **Do not purchase gift cards or give out information.** These scams often ask for the purchase of gift cards or want you to provide further information (for more scams). Never share information or make purchases from a text or email request without verifying information.

5. **Report it.** Report it to the person or leadership, the chances good that if you received a scam email or text, someone else did too. Also report it to the FCC. If you are the victim of a scam, report it to local law enforcement.

HOW IT WORKS

The attackers decide on a target (a congregation, ministry or synod) and does a search for names and email addresses of leadership.

The attackers create email addresses with a convincing name or domain to look similar to that of the leadership.

They then use software to find email addresses or phone numbers associated with their target.

They send emails or texts to the found addresses posing as a pastor or bishop to solicit money or information.

ADVOCACY

Get started with advocacy

Eager to get involved in advocacy but unsure where to start? In this starter kit, find sessions including "What Is Faith-based Advocacy?" and "How Do I Approach Policymakers?" Each session includes a video posted at **YouTube.com/@ELCAadvocacy** and an accompanying study guide to introduce advocacy and start conversations about what it means in your congregation's context.

"Advocacy for Young Adults"

Developed by young adults for young adults, this guide is an accessible way to dig deeper into advocacy. Its five sections can be used by individuals or groups of all ages who are ready to raise their voices and call for justice. With skits, activities and personal stories from advocates, decide what actions your group will take to make your voices heard.

Download these free resources and others at [ELCA.org/advocacy/resources](https://www.elca.org/advocacy/resources).

Listen to advocates

Do you wonder what Lutheran advocacy looks like in the context of current events? "Here I Pod," a podcast from ELCA Advocacy, offers insight and ideas for how to get involved. Available for both listening and viewing, episodes such as "Housing and Homelessness Trends and Policy Impacts" and "Migration Policy Changes and Their Impacts" provide a starting point for group discussion and action.

Invitation to help form a Celebration Committee for Pastor Cindy's 40 years of Faithful Service.

With deep gratitude and heartfelt joy, we are preparing to honor Pastor Cindy for an extraordinary milestone – **40 years of faithful ministry and service** to our church and community. To make this event truly memorable, we are forming a **special planning committee**. This group will work together to design a celebration that captures the spirit of Pastor Cindy's ministry.

This committee will be responsible for planning a meaningful celebration that reflects the love, respect, and appreciation we hold for Pastor Cindy. We envision a time filled with fellowship, reflection, meaningful tributes and moments of thanksgiving for the countless lives she has touched over the past four decades.

We invite members of the congregation who feel called to contribute their time, talents, and ideas to join this committee. Whether your gifts are in event planning, music, hospitality, decorating, or simply offering a helping hand, your participation will help make this celebration truly special.

If you feel led to serve on this committee, please reach out to either Olga Kowalski, Church Secretary at 262-694-3101/stplc.office@sbcglobal.net or Marilyn Jensen, Church Council Vice-President at 262-445-0809/marilynjensen87@gmail.com by June 15, 2026.

Together, let us honor Pastor Cindy who has faithfully guided us for 40 years and give thanks for the blessings yet to come.

Dear Friend,

“That’s What Friends are For.”

So the saying goes. It’s meant to remind us that during difficult times; we need to rely on friends to carry us through.

Domestic violence victims rely on Women & Children’s Horizons during some of their most difficult times. They rely on us when they need a safe place to stay in our shelter. They rely on us when the memories become painful, and they need someone to talk to on our crisis line. They rely on us when they need to better understand the criminal and civil legal systems when they meet with our Legal Advocate. And, they rely on YOU to help Women & Children’s Horizons continue to be there in their difficult times.

If you’ve donated in the past, thank you. Please consider donating again, or setting up a recurring monthly donation on our website www.wchkenosha.org and clicking on the “Donate Now” button.

If you haven’t donated in the past or it’s been a while, now is the time. As sources of funding we have previously relied upon are going away or diminishing, we need to rely on community support now more than ever.

Here’s some ways your donation can help:

- \$500 will provide groceries for one month for shelter families.
- \$171 will provide phone service for one week to reach an advocate 24 hours/day.
- \$60 will provide bus tokens for one month for clients to access services.

Any amount is appreciated. Make your donation today by sending a check in the enclosed envelope or by visiting www.wchkenosha.org or clicking on the QR code on the donation envelope. Thank you for your support.

Warmly,
